HALL of FAME

We are proud to announce the 2017 Inductees to the Hillsdale High School Hall of Fame

Joey Galon [HHS '81] received his BA in Fashion and Textile Design from San Francisco State, studied Business Management at San Diego State, and later entered the Ministerial Program at Agape International Spiritual Center. He then began to pursue his passions in fashion design, model and pageant coaching, and event planning. As a fashion designer, his Joey Galon Atelier clothing line features evening gowns and swimwear. His creations were shown at LA Fashion Week and have been seen at the Academy Awards, Miss USA, and the Mrs. Universe Pageant. Joey currently serves as a TV fashion correspondent and reporter for Fox TV. As a reality TV personality, he was a finalist on the nationally syndicated "24 Hour Catwalk", a fashion stylist on "Vegas Brides", and a model coach on "Model Latina". Throughout his career, Joey has also served as Executive Director of Catering and Events for hotels and casinos in California, Nevada, and Hawaii.

Keith Gordon [HHS '58-'90] began his career at Hillsdale in 1958 after serving in the US Air Force during the Korean War and earning a BA and MA in Education from San Francisco State. He and Cecile were married in 1959. Keith devoted his entire career to Hillsdale and its students, retiring in 1990. He taught Industrial Arts, served as department chair, coached tennis, and most importantly was a friend, mentor, and colleague to many. He enjoyed creating metal art sculptures to be shown at the Carmel Gallery and traveling throughout Europe, especially England, with his wife and family. After retiring, Keith remained connected to Hillsdale, staying in contact with numerous former students, organizing monthly breakfasts at Nini's for retired Hillsdale teachers, administering and presenting OKL scholarships, enjoying school events, and perhaps most notably, being a founder and the soul of our annual Olde Knights' Luncheon, now in its 22nd year.

Ed Kertel [HHS '71] is often credited with being Hillsdale's all-time, all-around athlete. He earned 12 Letters (7 varsity) and in his senior year received 1st Team all PAL honors in football, basketball, and baseball, and was named 1st Team all SM County in football. All three senior teams won PAL league championships. Ed next played football at the CSM where he was honorable mention JC All-American and Golden Gate Conference defensive MVP in 1972. That team was conference champion and the #1 team in California. Transferring to San Diego State he became starting safety for the conference champions in '74, and team captain and all league (PCAA) in '75. Ed played in the pre-season for the San Diego Chargers in '76 before earning his teaching credential and serving as an assistant football coach at CSM for four years. He then became a City of San Mateo firefighter for 29 years, retiring in 2010. Ed was inducted into the San Mateo County Sports HOF in 1996.

Conan "Connie" Smith [HHS '59-'62] Following US Army Air Corps service as a B17 Belly Gunner in WW II, Connie earned his BA in Education at Southern Illinois University-Carbondale in 1948 and began his coaching career in Illinois. He again served in the Korean War and then earned an MA in Athletic Training at Indiana University in 1954. Connie arrived at Hillsdale in 1959 where he coached the Knights track and cross country teams. The cross country teams earned PAL, NCS, and National titles while winning 83 consecutive dual meets, and Connie was honored as PAL Coach of the Year in 1961. After leaving Hillsdale, Connie coached at Eastern Kentucky University from 1964-1968 where his teams won four Ohio Valley Conference titles and he was twice named Coach of the Year. He ended his formal coaching career at the University of Tennessee and became the Illinois State Director for Driver Education while volunteering with the Special Olympics.

Homer Zugelder [HHS '58-'92] enjoyed his youth in San Francisco, graduated from Commerce High School, and then earned a BA and Masters in Education from San Francisco State University. He served in the army during the Korean War and married Judy in 1953. During his 35 years at Hillsdale, Homer was a teacher, counselor, and legendary coach, always claiming he had "the best job in the world." He coached Knights' basketball for 13 years, winning MPL Championships in 1966, 1968, and 1970. Following retirement, Homer served as the PAL Commissioner, and the Chief of Peninsula Basketball Referees. He was co-founder of The Olde Knights' Luncheon, now in its 22nd year. There, when alumni "Asked Homer", he was sure to know the answer if it were about his school. "Homer's legacy isn't defined by records or championships. His legacy is built by the lives he touched, one human being at a time." Homer truly was and will always be "Mr. Hillsdale".
